WHY IS SMP  
RIGHT FOR YOU?

# Scalp Micropigmentation (SMP)

.....

Scalp Micropigmentation is a modern hair loss treatment. We help men and women that are experiencing a level of hair loss that they want to change. Many of our clients have used treatments and methods that have left them unsatisfied. Hair loss is deeply affecting many men and women, and we are dedicated to improving the lives of each and every one of our clients. We do this by delivering the ultimate Scalp Micropigmentation experience.

Scalp Micropigmentation aka "SMP" (aka Hair Tattoo/Scalp Tattoo) is currently the Ultimate, non-surgical solution for hair loss. We provide an instant, permanent, and life-changing treatment where thousands of organic pigments are precisely applied to the scalp to replicate the natural appearance of real hair follicles. Whether you want to fill in a scar, a thinning area of your hair or have Alopecia, SMP will enhance your look tremendously. You will instantly look 10 years younger.

## Benefits of SMP .....

-  Safe treatment
-  Long lasting solution
-  Rebuild confidence
-  Restore hairlines
-  Inexpensive treatment
-  Free consultations
-  Top-brand products

.....

We are regarded as one of the leading Micropigmentation companies in the world with many years of experience, and that has helped us in developing our own custom equipment, process, and procedure. David Santiago is one of the most respected SMP artists in the world. Clients and upcoming artists fly to our locations from all over the world to have their procedure done by him or one of our Team Members.

# Scalp Micropigmentation (SMP)

Widely acknowledged for his unparalleled expertise and unmatched professionalism, David Santiago is a Certified Trichologist with a Background in Hair and Scalp Science and Certification in Non-laser Tattoo Removal. With over two decades of experience in his field, he was able to catapult Scalp Solutions to the forefront of the hair loss industry. As a matter of fact, this licensed master barber is the brilliant pioneer behind the cutting-edge procedure known as scalp micropigmentation.

## Why You'll Want To Come To Us

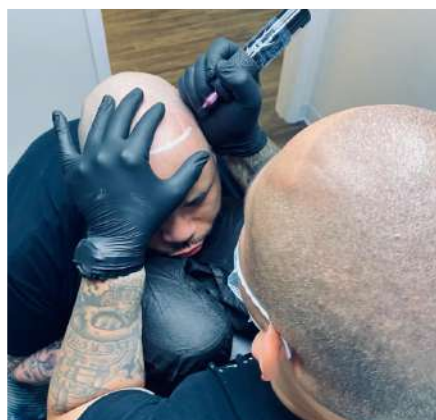

At the heart of David Santiago's purpose-driven initiatives is the ultimate goal of restoring and maintaining the confidence of those who want to look and feel their absolute best. Heavily determined to provide effective solutions to the hair loss problems of people from all walks of life, he addressed himself to the challenge of establishing a venture that would give instant results that are guaranteed to last for years. Thus, he created Scalp Solutions, a revolutionary entity that has transformed the hair industry with its scalp micropigmentation procedures.

## How We Deliver On Our Claims

David became a barber when he was 16 because he realized it was what he wanted to do – David wanted to help people look and feel better about themselves.

When he turned 18, he started losing his own hair, so he turned to wearing hats and trying different types of creams and dyes to try and hide his hair loss.

Nothing helped until he found scalp micropigmentation.

# Why Choose Scalp Solutions?

# SMP for men & women

Scalp Micropigmentation, Hair Tattoo, Scalp Tattoo or Cosmetic Hairline Restoration is an art form, and depending on the type of baldness or hair loss, and the amount of work or hours needed to get the results the client is wanting, this will determine the exact price/cost of the treatment.

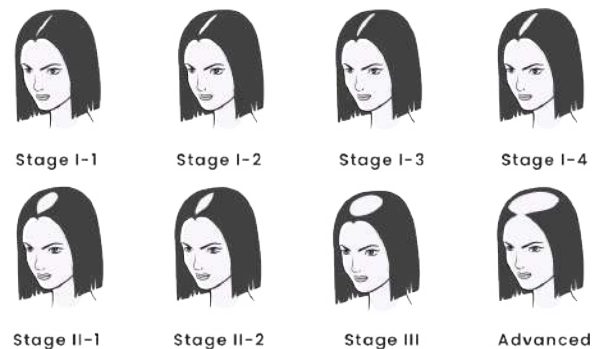

## Male Scalp Micropigmentation

The Norwood Scale of Baldness is a guide to determine the cost of each treatment. Each client is usually in different stages of balding, and thus the price can increase or decrease depending on the type of baldness or hair loss the client is experiencing.

## Female Scalp Micropigmentation

Ludwig Scale of Female Baldness is a guide to determine the cost of each treatment for women. Each client is usually in different stages of balding or thinning hair, and thus the price can increase or decrease depending on the type of baldness or hair loss the client is experiencing.

It's best to schedule a FREE consultation with our SMP Artist to determine:
